News

Working together to build a learning community that embraces faith, diversity & personal growth

Principal's Message

This month, our School community commemorates Catholic Education Week, National Close the Gap Day, Harmony Week and International Women's Day.

Simultaneously, we prepare for the observance of Holy Week, a time of fasting, prayer and service, culminating in the celebration of the passion, death and resurrection of Jesus Christ.

Amidst the activity, this period serves as a poignant reminder of the vastness of our mission in Catholic education and the richness of our diverse communities.

Now, more than ever, it is crucial for faith-based communities of various backgrounds to unite in advocating for religious freedom, encompassing the right of families to choose a school aligned with their beliefs and values.

As we acknowledge these significant events and navigate through this crucial season in our faith, we remain attuned to the diverse needs of our School and broader communities, especially those coming from disadvantaged and vulnerable backgrounds.

The pursuit of diversity, freedom and harmony aligns with the principles outlined in the document 'Human Fraternity for World Peace and Living Together,' signed by His Holiness Pope Francis and the Grand Imam of Al-Azhar Ahmed al-Tayyib.

The document emphasises that religions play a pivotal role in promoting values such as peace, mutual understanding, human fraternity and harmonious coexistence.

Throughout this Lenten season, let us remain mindful of the needs within our sphere of influence and extend our compassion to those around the world grappling with poverty, suffering, violence and marginalisation.

May our faith in the salvation of humanity bring forth hope, peace, and freedom.

Mrs Gina Murphy
Principal

Mrs Jacinta Dalton
Deputy Principal

The happy 'Lego Clubbers'!

Lunchtime Lego Club: Building Creativity & Community!

The Lunchtime Lego Club has quickly become a favourite among students at Sacred Heart, offering a great break time alternative and a chance to engage in constructive play.

Held during lunch on a Thursday, the Lego Club provides a welcoming space for students to come together, share ideas and build with those iconic bricks!

As they collaborate on builds:

- **Friendships naturally blossom**, breaking down social barriers and creating a positive and inclusive environment within the School
- **They develop valuable skills** such as teamwork, communication and problem-solving
- **Working with Lego stimulates fine motor skills** and encourages imaginative thinking, providing an educational component to the lunchtime fun.

The Lunchtime Lego Club has proven to be a fantastic addition to our School's extracurricular activities, promoting creativity, social interaction and a sense of community among students at Sacred Heart.

It serves as a reminder that even during a short lunch break, the power of play and collaboration can leave a lasting impact on our School experience!

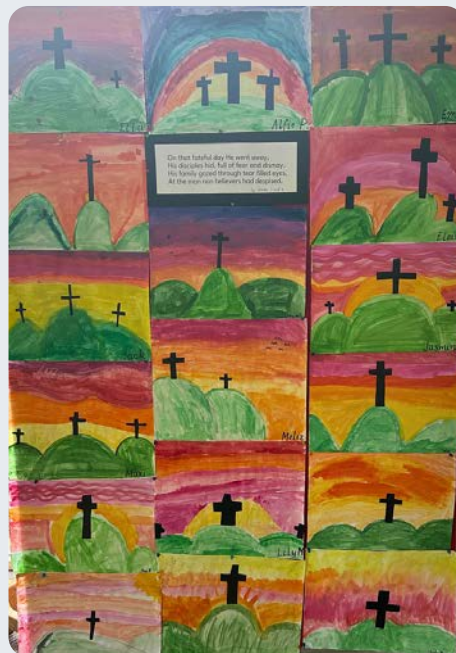

JOIN THE LEGO CLUB!

Each Thursday at lunchtime

HAVE YOUR SAY

Sacred Heart Community Voice

THANKFUL FOR ART

Thank you to the **Year 3/4 students** for their great artwork in the church that reflects their lenten journey.

As a parishioner, it was wonderful to walk into the church and see your bright contributions that also helps us reflect on our own lenten journey.

Thank you,

Alison Pieper
Sacred Heart Parish Council

A GESTURE OF THANKS

Thank you, **Nando** and **Jess Culosi** (Alessia and Katiya), for your dedication and for being shining examples of the compassion that defines our School community.

Your willingness to contribute time and effort to clean the sign outside of the church that has been vandalised once again speaks volumes about the values and support for the School.

This act of kindness not only repairs a physical structure but reinforces the bonds that make our community special.

Mrs Gina Murphy

Get to know your Teachers!

Mrs Rachel Murphy Performing Arts Coordinator & Learning Support Officer

"I have lived in Diamond Creek for 23 years. We have 3 sons. All of our boys attended Sacred Heart. Lachlan is 26 years old and lives in Adelaide with his partner Madison, who is a paramedic. Lachlan wears number 4 for the Adelaide Crows in the AFL. He will be playing his 100th game next week which is very exciting. Blake, 23 is an electrician and also plays football at Montmorency FC. Blake is an amazing cook, he takes after my Sicilian Nonna! Blake also loves music and trying his hand at mixing music for clubs. Sebastian is 16 and is in Year 11 at Parade College. Seb also plays football at Montmorency, as well as for Parade and the Knights, he also hopes to be drafted into the AFL. My hubby, Rod, works in International Trade for the NAB. He is looking forward to retiring next year after 45 years in the bank. He also loves gardening, horse racing and jigsaw puzzles.

I have been teaching Performing Arts at Sacred Heart for 19 years and have been a Learning Support Officer for 13 years. I love helping students across all levels with their learning, especially in the Arts. Music is extremely beneficial as is dance. I love to help my students to gain confidence in themselves so that they can "dare to be different" which is my Performing Arts motto. Watching their confidence grow and their talents develop is most rewarding. The whole School bi-annual productions are extremely busy, yet an amazing way to expose the staff and students to the wonderful world of performing.

My life in the Arts started as a 4-year-old child studying ballet, contemporary, and modern jazz ballet, which continued for 16 years, most of which was 5 days a week. When I finished secondary school I moved to Norfolk Island, which is where my family have lived since 1986. Having studied catering I worked full-time in the hospitality industry, running bars and restaurants, as well as tourist resorts. While living on Norfolk Island, I became part of NATS Norfolk Amateur Theatrical Society. Acting, Singing, Dancing as well as choreographing, directing and producing plays, and musicals. We would perform 3 major productions per year.

I began a hairdressing apprenticeship in Norfolk and after 5 years I moved to Cronulla in Sydney. I only lasted 5 months and moved back to Melbourne where I continued to work as a hairdresser. I missed the arts so I started honing in on Voice and singing, this led to songwriting, as well as teaching singing, which I still do today. I then trained as a Zumba Instructor and ran classes in Diamond Creek for roughly 5 years. Norfolk Island is a paradise that I love to visit when I can. I am still hairdressing after 35 years which I still enjoy. I recently dabbled in acrylic paint pouring due to lockdowns, which I find is very therapeutic and rewarding.

I love being a part of the Sacred Heart Family. Having all of my Sons attend, who still love to come back and visit, and who still have close friendships with students they attended with is something that I hold very dear and makes me extremely proud. Some of my best friends are also my colleagues, which is so special to me."

SPECIALIST CURRICULUM

Indonesian Idol

Winners!

Students sang their hearts out at our very own 'Indonesian Idol' competition this week!

Congratulations to the Class Winners!

Nate Fitzmaurice – Year 4

Shaye Pearce – Year 4

Jacob Sciberras – Year 5

Eva Parker – Year 6

Well done to all students in 3/4 and 5/6 – they each spent weeks crafting rehearsal materials for their fantastic performances which were a wonderful celebration of language and talent.

A big thanks to our special parent judges for coming along and to our Indonesian Teacher Bu Olivia for bringing such fun and creativity to Sacred Heart!

Creative Arts

On show!

Congratulations to Alessia Culosi, Year 1, and Alexander Hernandez, Year 4, who had their artworks selected for display at the Catholic Education Week Creative Arts Exhibition this week!

The exhibition showcases artworks from Catholic primary and secondary schools across Victoria and is held at the Catholic Leadership Centre in East Melbourne.

Well done **Alessia** and **Alexander**!

Alessia's artwork

Alexander's artwork

Orders due Monday!

EASTER SPECIAL LUNCH - FRIDAY 22 MARCH

- Choice of pizza type plus a drink & treat!
- See the flyer for all the exciting details

'TIGER PAW' Program

For total wellbeing!

Our Year 5/6 students will be taking part in the award-winning Tiger PAW program this coming Monday - a wellbeing initiative run by Richmond Football Club!

The program uses videos of experts and athletes to impart important physical, mental health and nutritional messages to empower students to take control of their own physical and mental wellbeing.

Students will cover:

- **Physical Activity** – A practical session that uses AFL skills as the driver but also focuses on transferable skills from other sports
- **Nutrition** – Using videos of Richmond Football Club Players to start discussions about the student's food choices. This is an interactive session where there are several games and discussions about nutrition and how it looks different for everyone
- **Respectful Relationships** – Discussing all components of respect using the first two modules of examples of what respect is and how it looks and sounds.

Stay tuned for the exciting outcomes, we're looking forward to sharing them with you!

Mr Patrick Ashworth & Mrs Simone Fabretti
Year 5/6 Classroom Teachers

GET ACTIVE

Ride2School *Day!*

So far this month we've had lots of students riding and rolling to School as part of the Ride 2 School initiative!

Students are encouraged to ride their bikes or scooters or walk either the whole or part way to School throughout March.

Ride 2 School Day Friday 22 March

House Leaders will collect the final tally of how students have made their way to School this month on Ride2School Day on Friday 22 March.

The class with the most tally marks for riding/walking to School will receive a class set of tokens!

This initiative is designed to encourage increased physical activity in students and encourage a positive start to students' day.

Further Information

➤ bicyclenetwork.com.au

Join Leo, Year 3 and Ali of Foundation, and roll out for Ride2School month this March!

St Patrick's celebrations

Wear a touch of green tomorrow!

As March unfolds, we eagerly anticipate the vibrant celebration of St Patrick's Day, an event of great significance for our Catholic primary school!

St Patrick's Day, observed annually on 17 March, is a time-honoured tradition that holds deep cultural and religious importance.

St Patrick, one of the patron saints of Ireland, is celebrated for spreading Christianity across the Emerald Isle and for his legendary act of using the three-leafed shamrock to explain the Holy Trinity. His life and teachings serve as an inspiration for our students, promoting values of faith, compassion and perseverance.

St Patrick's Day at School

At Sacred Heart, we take this occasion as an opportunity to instil in our students an appreciation for diversity and the richness of Catholic heritage. Through engaging activities and lessons, we aim to foster a sense of unity and understanding among our students, embracing the cultural tapestry that makes our School community unique.

On Friday 15 March, which will be our celebration of St Patrick's Day, students are encouraged to wear a touch of green, symbolising not only the lush landscapes of Ireland but also our commitment to growth, harmony and the teachings of St Patrick.

Our School and Religious Education student leaders will be attending a mass at St Patrick's Cathedral on this day as well!

Let us come together in joy and gratitude, celebrating the legacy of this revered saint and the values he imparted, reinforcing the spirit of community that defines our Catholic education.

May the blessings of St Patrick continue to guide and inspire us all.

Mrs Claire Molina
Religious Education Leader

SACRAMENTAL PROGRAM

Eucharist *Faith Night*

The Very Rev Dr Kevin Lenehan hosted the Eucharist Faith Night for our Year 3 parents this week, which was a profound evening of spiritual connection.

Families gathered to deepen their understanding of the Eucharist and its significance in their children's faith journey as they prepare to receive the sacrament of First Eucharist.

Fr Lenehan's insightful teachings illuminated the sacredness of the sacrament of Eucharist, fostering a sense of deepening spiritual understanding among attendees. As the night unfolded we were joined in the shared experience of faith.

In closing, Fr Lenehan expressed heartfelt gratitude to all families for their presence, acknowledging the importance of their commitment to spiritual growth of their children.

We thank Fr Lenehan for sharing his wisdom with us and thank St Thomas the Apostle for hosting the evening.

Fr Lenehan shared this image of one of the earliest depictions of Communion

Fr Steve's
Weekly Homily

THE EYE OF THE BEHOLDER

In this week's Gospel reflection, we contemplate how God views us as His cherished creations. Far from a distant judge, God sees humanity through the lens of love and redemption.

St Paul beautifully describes us as "God's work of art," each of us a unique expression of His creativity and love.

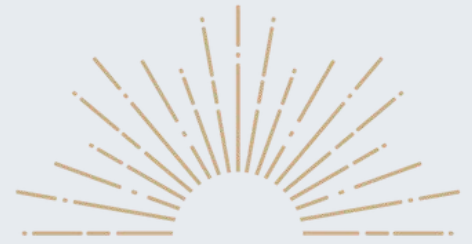

Just as an artist treasures their creations, God desires to reveal the beauty within each of us, illuminating our lives with His healing and transformative light.

As Easter approaches, we anticipate the symbol of Christ's victory over darkness, the Paschal Candle, shining brightly in the midst of our lives, reminding us that we are all cherished works of art in the Divine gallery.

Through His love and salvation, we are called to be the Light in the world, reflecting God's truth and love to others.

➤ Join me in exploring the depth of God's love and our role as bearers of His Light; [click here for the full homily.](#)

Sacred Heart Parish Priest

Parish Connections
Welcoming our Foundation Families

Sacred Heart Parish invites parents of Foundation students to a social event to celebrate and further develop the relationships between families and the Parish Community.

This will be a relaxing evening where we celebrate your special child.

Child Minding will be provided if required to enable both parents to attend and get to know other parents in your child's year level.

We are looking forward to meeting you on this special night!

Parish Connections Night - Foundation
Thursday 21 March, 7pm-8.30pm
School Community Centre
Tea, coffee, wine, beer and nibbles provided

The Science Behind *Raising Readers*

Literacy forms a cornerstone of early education, with a focus on mastering the ABCs, comprehension skills and literary devices.

Beyond academic achievement, exposing children to reading from a young age sets off a 'causal spiral' — the more they read, the better their skills become, leading to greater academic success!

And the benefits of reading extend far beyond academics:

- **Stress Relief:** Reading reduces cortisol levels and boosts oxytocin, aiding in coping with mental and physical health challenges
- **Empathy and Connection:** Reading fiction strengthens neural networks, enhancing theory of mind capabilities and fostering meaningful connections with others
- **Happiness:** Frequent fiction readers report greater life satisfaction and positive wellbeing
- **Longevity:** Book readers experience a survival advantage, leading to a longer life filled with the joy of reading.

Reading at Home

Creating a reading culture at home includes **reading together**, having **physical books readily available**, **modelling reading behaviour**, and **avoiding pressure to read early**, ensuring a nurturing environment for developing a love for reading.

Delve further into the science behind raising readers and explore how to cultivate a reading culture at home at the link below.

Safety First at Sacred Heart!

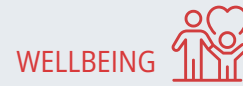

EVACUATION DRILL

Our recent School evacuation drill unfolded seamlessly, showcasing our preparedness and the coordinated efforts of students and staff.

The drill demonstrated the commitment to safety within our School community and with clear communication and practised procedures, everyone navigated the evacuation process with efficiency and poise.

- Students exhibited a commendable understanding of the protocols, following instructions promptly and maintaining a calm demeanour throughout the exercise.
- Teachers and staff members, well-versed in their roles, guided students with assurance, fostering an atmosphere of safety.

This outcome reassures us of the safety measures in place, serving as a reminder of the importance of ongoing preparedness and our commitment to ensuring the wellbeing of every member of our School community.

A Learning Superpower: *Positive Mindset!*

During our Open Parachute sessions, we have learnt about having a positive mindset for learning.

It is normal to have negative thoughts when we are struggling, and we have been learning skills and strategies to use when this happens.

We can practise the skill of changing negative thoughts and feelings into more realistic, positive thoughts.

We have been discussing strategies we can use when we come to challenging goals and can practise the skill of perseverance to help achieve that goal.

Click on the link below for more information with helpful home hints, too!

Yours in wellbeing,

Ms Kerry Neilson
Wellbeing Leader

A team effort at our last Working Bee - students and all!

School Working Bee!

Join in the hive of activity of our next Working Bee - at Sacred Heart it's a family thing!

We would love to see as many families - including kids! - at our second working bee of the year to ensure our School is looking the best it can.

Saturday 23 March
10am-12pm

You can help:

- Strip & mulch garden beds
- Tidy the veggie garden space
- Remove lower tree branches around water tanks
- Remove cobwebs
- Clean windows
- Remove the old cubby house
- Tighten screws on play equipment
- Remove graffiti

Tools

If you have any tools to support the above jobs please bring them along - wheelbarrows, rakes, shovels, cobweb broom, window cleaning items, gloves - thank you!

Maintenance Levy

Families attending two Working Bees receive a levy rebate.

BBQ LUNCH!

We're offering a free sausage sizzle to our much-valued helpers, thanks to our Parents & Friends group.

PARENT REPRESENTATIVES

Connecting our Parents & kids

Did you know each year level has a dedicated parent representative who volunteers to act as a conduit between the School and families?

Year Level Reps manage year-level Facebook groups to facilitate communication and share information.

It's a place to:

- **See reminders**
- **Ask School-related questions** (Reps can ask questions of the School on your behalf and share answers with the group)
- **Arrange social events for parents and kids!**

Please contact the Office for the link to your year-level Facebook Group.

2024 Year-Level Reps are:

- **Foundation - Sarah Wallis** (Alby S)
- **Year 1 - Camillia Sinclair** (Chloe)
- **Year 2 - Sarah Wallis** (Alannah)
- **Year 3 - Megan Ioannidis** (Alby I)
- **Year 4 - Michelle Lord** (Justine)
- **Year 5 - Camillia Sinclair** (Jake)
- **Year 6 - Michelle Lord** (Harry)

THANK YOU

We are so grateful to our Parent Reps who do such a wonderful job connecting and informing our School families!

Making waves!

The Chatfield brothers are back with more waterski success!

The 'Robinvale Euston 80' ski race was won by **Harley Chatfield**, Year 2.

Harley won Under 10s, skiing at 88.8 kilometres per hour, with his Uncle Jase driving and cousin Kohdi keeping a watchful eye, as observer.

Eden Chatfield, Foundation, returned to Echuca to continue his training runs with his Poppy, in preparation for his debut in Mildura.

Eden and Harley having a social ski in Echuca

BREATHING COACH

Dear FRIENDS of SACRED HEART PRIMARY SCHOOL

Firstly, HAPPY NEW YEAR! I hope you have had a joyful festive season and are leaping into the new year with a spring in your step. If not you maybe ready for a new health routine to help you traverse life's challenges.

I am delighted to be teaching yoga again this year at SACRED HEART PRIMARY SCHOOL. I have taken over from Kerrie Wailles on a Monday evening in the Community room. Classes will run until Monday 25th March.

Monday Evenings

7 pm to 8.30 pm

The term price is \$162 (\$18 / class). Or \$25 casual class attendance.

I teach an easy flowing yoga called DRU, suitable for all.

To book your spot in the class either text me or email me with the details in the side panel and I will give you the banking detail for a direct transfer. However, if you prefer to pay by cash, please bring it along to the first class of the term.

I also offer retreats and day workshops, health and well being programs at my studio and am offering a YOGA, SNORKELLING, SAILING adventure at the Whitsunday Islands at the end of August 2024.

Come and join the fun!
