PRIMARY SCHOOL | DIAMOND CREEK

News

Working together to build a learning community that embraces faith, diversity & personal growth

Principal's Message

In this final edition of *Sacred Heart News* for the term, we extend our heartfelt appreciation to the community for your abundant support of our students and staff!

Students have enthusiastically embraced learning and wellness opportunities and our families have come together to celebrate the new school year as only the Sacred Heart community can!

We are so proud.

We've enjoyed welcoming new staff and students and celebrated with School Mass, Kaboom, Foundation BBQ, Information Evening and Open Morning; we've had Shrove Tuesday festivities, Interschool Sports, District Swimming, music lessons, Parents & Friends and School Advisory Council meetings, Faith Nights and Commitment Masses as well as Working Bees, Learning Conversations, Running Club and Ride2School.

It's been busy and exciting! Amidst all this, our ongoing commitment to our academic endeavours and student wellbeing has continued to underpin all of this activity.

An overwhelming response on School tours is how calm the School is and how polite the students are - we extend our gratitude to you, our dedicated parents, and thank our dedicated staff, for your contribution to this success.

We also commend our students for their generous contributions to our community, particularly for their artwork to raise awareness and funds for Project Compassion, which has attracted great community feedback.

Thank you for entrusting us with the privilege of educating your children and for your support and feedback as we strive to provide the best possible environment at Sacred Heart.

On behalf of the Sacred Heart staff, Fr Steve and Fr Ananda, we wish you a joyous and safe Easter break. We hope you cherish this time with your children, they are truly remarkable individuals.

Mrs Gina Murphy
Principal

Please return all Raffle Tickets ASAP to the School Office

HAVE YOUR SAY

Sacred Heart Community Voice

MACS ART EXHIBITION

Our clever students, **Alessia Culosi**, Year 1, and **Alexander Hernandez**, Year 4, received many comments upon us sharing their achievement in being selected for the Melbourne Archdiocese Catholic Schools 'Creative Arts Exhibition' last week!

Get to know your *Teachers!*

L-R: Matt, Tom, Madeleine, Lachlan and Kerry

Ms Kerry Neilson

Year 3/4 Teacher & Student Wellbeing Leader

"Hi! My name is Kerry Neilson and I am co-teaching Year 3/4 in 2024.

I have taught in schools in South Melbourne, Ivanhoe and Rosanna before coming to Sacred Heart in 2010.

I have taught across all year levels during my time here at Sacred Heart, with this year also taking on the role of Wellbeing Leader.

I am married to Matt and we have 3 children, Lachlan (13), Thomas (10) and Madeleine (6). I try to play a little sport, but our growing family certainly keeps us very busy! We enjoy the outdoors, going to the beach and adventuring to new places.

I love teaching as I find much fulfilment in helping children develop their potential in learning and with their families, helping to guide them in their learning path. I love the interaction one can only experience with children - they are endlessly entertaining and often surprising with their maturity and insight.

It's terrific when I witness, and am part of, their genuine sustained progress, both academically and personally.

Sacred Heart is a great school at which to work. Sacred Heart has a strong sense of community and as a family with two children attending, we love being a part of it and all that Sacred Heart has to offer.

Being here for some time now allows me the continued privilege of maintaining relationships with families when teaching several children within the family.

Sacred Heart offers a family-type environment for learning as well as developing all aspects of the student, something that is very important to me. I'm sure the families at Sacred Heart hold the same values!

I am looking forward to sharing this journey with them!"

WELLBEING

Time for *Yoga...*

Our wonderful staff recently enjoyed a gentle and relaxing yoga session led by Cate Trembath from True Breath Wellness.

It was a great opportunity to pause and recharge and contribute to our culture of prioritising wellbeing across the School.

A huge thank you to Cate for generously volunteering her time and expertise.

Want wellbeing and wellness for yourself?

Explore Truebreath's offerings by contacting Cate, today.

Creative Arts Exhibition Update!

Alessia Culosi, Year 1, and Alexander Hernandez, Year 4, headed into the Catholic Education Week *Creative Arts Exhibition* with their families last week to see their work displayed amongst others from schools around the state.

Congratulations on being part of this exciting event, **Alessia** and **Alexander**!

Alessia pointing out her artwork

Alexander with his artwork

PERFORMING ARTS

Save the Date!

A BIG 'Split Decision' announcement!

Look what we got a sneak peek at recently!

A read-through for our super-exciting production of *Split Decision* with our super-fantastic cast! And it's already sounding SO good!

And in BIG NEWS – we can announce the performance date...

Mark your calendar for Thursday 17 October, folks!

All ticket and booking details coming soon - stay tuned!

GET ACTIVE

Ride2School Day!

Ride 2 School Day is tomorrow, Friday 22 March!

Miss Jemma Parker, Sports Coordinator, will greet students as they arrive tomorrow, tally the number of riders, hand out stickers, take photos and calculate the winning class for tokens.

Happy riding!

Reflecting on NAPLAN

As we approach the end of the NAPLAN (National Assessment Program – Literacy and Numeracy) testing period, it is important to remind ourselves about the process.

NAPLAN is an essential assessment that helps schools understand how well students are progressing in key areas of literacy and numeracy.

It provides valuable insights into the strengths and areas where students may need additional support, helping staff tailor their teaching to better meet the needs of their students.

Secondly, NAPLAN results provide schools with valuable data for evaluating the effectiveness of their teaching programs and curriculum implementation.

By analysing trends and patterns in student performance over time, schools can make informed decisions about resource allocation, professional development opportunities for teachers, and curriculum adjustments.

A big thank you for all students' efforts during the NAPLAN assessment period. They worked hard in test conditions displaying stamina and commitment to giving their best.

Mrs Jacinta Dalton
Deputy Principal | Learning & Teaching Leader

What's happening in our classrooms!

As we draw close to the end of Term 1, remember to ask your child how their learning activities are going especially about their exciting Inquiry Unit!

Our Year 5/6 students are designing a new suburb for Melbourne complete with facilities and services and rules and laws.

In 3/4, students are exploring community rules, our 1/2 students are working on the events of Easter and our Foundation students are writing sentences.

What a wonderful effort!

GET ACTIVE

Reading over the Holidays!

As the holidays approach it is important to remember that reading is a life skill and there are lots of things you can do to help your child read during the school holidays.

- **Continue with a daily reading routine** with short sessions of around 20-minutes per day.
- **Spend some time with your child revising** their letters, sounding out difficult words, chunking the text, making predictions and inferring meaning from the writing. Discussing how the illustrations relate to the text also helps children understand what they are reading.
- **Engage young children by giving them the agency to choose books** for themselves. Take them to the library or a bookshop and let them find the books that interest them.
- **Find stories that relate to your child's interests** or, if you're travelling somewhere, find stories about the destination or activities you'll be doing.

One of the very best things that parents can do is to show their kids how much pleasure they get from reading.

So grab yourself a book, settle down to read and enjoy the holidays!

'TIGER PAW' Program

For total wellbeing!

By Annabelle Ross, Year 6

On Monday, the 5/6 year level had a special incursion called Tiger Paw!

Tiger Paw is a Richmond Football Club AFL, AFLW and VWFL football skills and mental health clinic run for primary schools around Melbourne.

The clinic lasted for around two hours, and had three parts to it - footy skills and training, eating healthy and having a good mindset.

In the first 45 minutes, we did teamwork skills, handballing and exercises on the oval.

We got into teams and learnt how to work together and show good sportsmanship by doing activities such as; handballing in a chain, handballing to each other, and giving each other support/cheering our teammates on, etc.

After that, we went inside out of the heat and learnt about eating healthy and staying fit.

We learnt that different foods have different properties, such as brussel sprouts and how they can actually decrease the risk of you getting some cancers.

We also saw some clips of Richmond AFL, AFLW and VWFL players talking about the foods they eat before training/games, after training/games, what they eat the night before, what food makes them feel happy and light and what food doesn't.

In the last session of Tiger Paw, we learnt about the food groups and what was Green rated food (food that you should eat a lot of), Amber rated food (food that you should limit) and what was Red rated food (food that you should avoid).

In this session, we also watched some videos of the players talking about how they include all food groups into meals and sneak them into other foods that wouldn't normally have them. We also learnt about how to keep yourself happy and have a good mindset.

Overall, the whole 5/6 level really enjoyed this session, and it was a memorable experience (of which is probably going in most of the Year 6's yearbooks).

A big thank you from us at Sacred Heart for the representatives who came in and taught us, they did a fantastic job and we picked up some important skills, not just in AFL, but also keeping healthy mentally and physically.

TIGER PAW IN ACTION

An Easter Message

As we approach the blessed season of Easter, the Sacred Heart community is filled with excitement and gratitude.

Easter is a time of reflection, renewal and rejoicing in the triumph of light over darkness.

This sacred season holds profound significance in our Catholic faith, reminding us of the love and sacrifice of Jesus Christ.

Throughout the School, our students are actively engaging in activities that reflect the spirit of Easter.

Our classrooms are adorned with symbols of hope and rebirth. The Easter story is being shared and celebrated, fostering a deep understanding of the religious significance behind this joyous occasion.

Our annual Easter Bonnet Parade brings smiles and laughter to our students.

As they show off their bonnets, we not only celebrate the joy of the season but also emphasise the importance of unity and community.

Easter at Sacred Heart is not just a time for celebration; it is a time for spiritual growth and gratitude.

Our community comes together to embrace the teachings of Christ, spreading love and compassion to all.

As we embark on this Easter journey, let us carry the light of hope in our hearts and share the joy of resurrection with one another.

May this Easter season fill your homes with love, peace and the blessings of the Risen Lord.

Happy Easter from all of us at Sacred Heart!

Mrs Claire Molina
Religious Education Leader

SACRED HEART PARISH

Father Steve's

Weekly Homily

EMBRACING SACRIFICE FOR TRUE LIFE

In this week's Gospel reflection, we contemplate the transformative power of sacrifice and selflessness as revealed in the historical context of Ephesus.

As I reflect on the lessons from Ephesus, I'm reminded of its rich history and the early Christian persecution it bore witness to.

We explore Jesus' profound teachings on selflessness and sacrifice, echoing the transformative power of giving oneself for a greater cause.

Through the metaphor of the grain of wheat, Jesus reveals that true life emerges from selfless service. I urge you to transcend selfish desires and embrace a life dedicated to others, mirroring Jesus' own sacrificial love.

Let's ponder the eternal significance of living for a greater purpose, prioritising spiritual growth over material pursuits.

➤ Join me in embracing a life of service and sacrifice. Let's make a difference together; [click here for the full homily.](#)

Westmead Feelings Program

at Sacred Heart

We are proud to offer the Westmead Feelings Program again in 2024.

Developed and run by the Children's Hospital at Westmead, Sydney, for many years, it is now offered in schools to teach children to better express and understand their feelings and the feelings of others.

It also teaches social skills and ways to solve problems. This program runs alongside our classroom social and emotional programs.

Groups

- **Foundation to Year 2:** 4-6 students in each group
- **Years 3-6:** 4-6 students in each group

Student Sessions

The sessions (45 minutes) will run each fortnight for 15 weeks in Terms 2, 3 and 4.

Facilitators

Our Learning Diversity Leader, Mrs Sandy Morgan, and Mrs Gina Murphy, are trained to deliver the Westmead Program.

Parent Sessions

The program extends to parents of participating children and their teachers, offering them insight into the curriculum and training to serve as 'emotion coaches'. This empowers them to support children in practising new skills both at home and school.

These sessions (90 minutes) will run at the beginning of each term.

Like to know more?

If you would like your child to be considered for this program, please email Mrs Sandy Morgan, Learning Diversity Leader.

Let me show you how I feel

WELLBEING

Safety and Respect:

Talking Boundaries

During Open Parachute sessions this week we have had a focus on acceptance, boundaries and unsafe situations.

Boundaries are the limits that people set for themselves in relationships.

It is important to have boundaries to keep us safe and there are boundary setting strategies we can do with our friends.

When we have healthy boundaries, we can say "no" when we want to. This can be really challenging.

We can set boundaries online, and know how to seek help and how to set safe online boundaries, too.

If our friends don't respect our boundaries, we need to practise the skills of ignoring, focus on something positive and seek help.

Everyone's boundaries are different and unique.

Click on the link for more information with activities to practise these skills at home too.

This Saturday!

A team effort at our last Working Bee - students and all!

School Working Bee!

Join in the hive of activity of our Working Bee this Saturday!

We would love to see as many families - including kids! - at our second working bee of the year to ensure our School is looking the best it can.

Saturday 23 March
10am-12pm

You can help:

- Strip & mulch garden beds
- Tidy the veggie garden space
- Remove lower tree branches around water tanks
- Remove cobwebs
- Clean windows
- Remove the old cubby house
- Tighten screws on play equipment
- Remove graffiti

Tools

If you have any tools to support the above jobs please bring them along - wheelbarrows, rakes, shovels, cobweb broom, window cleaning items, gloves, chainsaws and pruning tools.

Maintenance Levy

Families attending two Working Bees receive a levy rebate.

BBQ LUNCH!

We're offering a free sausage sizzle to our much-valued helpers, thanks to our Parents & Friends group.

JOIN IN THE FUN

Mother's Day 2024

Make mummy's day!

Each year to honour our wonderful Sacred Heart mums, the Parents & Friends group hosts special Mother's Day celebrations.

We invite the community to get involved!

Fall into an Exciting Term 2 With VillageOSHC!

As the seasons change and the first term closes out, VillageOSHC is ready to welcome Term 2 with open arms!

We're launching into a pile of excitement next term! Ranging from creative activities and games, chowing down on nutritious snacks and coming together to create unique play-based learning experiences for children of all ages!

Book for Term 2 at VillageOSHC.com.au and fall into unbe-leaf-able adventures!
